c Vircongetoris knows of these
ratbusinessman, thinking he can make it big time, the
excited hyperaggressivepromo agitatedtype.

It involves an intersection, a **bum**, and a lady
who will agitate him so that he steps onto the
street.

Vircingetoris drives through him and his startled
unexpected snap back at the lady.

The crime rates are increasing.

Major keyfigures are being killed an heads are
papping up in attention.

In the background useless bombing bounces off of
the magnetic fielddomes who's only side effect on the
population is accelerated evolution.
